278. SHRI VTTHALBHAI M. PATEL: Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether it is a fact that there has been a considerable delay in construction of flats by D.D.A. under Self Financing Scheme;

(b) whether the ban on construction of multi-storeyed buildings has already been lifted by Government then what are the reasons for delay in construction of flats under the Self Financing Scheme; and

(c) whether any target date has been fixed for the allotment of flats under the Self Financing Scheme by D.D.A.?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI DALBIR SINGH): (a) Yes, Sir.

(b) The ban on construction of multi-storeyed buildings is not related to the delay in the construction of flats under SFS. The delay, in fact, was occasioned by a variety of administrative and operational problems relating to construction contracts, building materials and some times even land. In certain cases the delay has been caused by court cases filed by various interested parties.

(c) There is a balance of about 24,000 registrants from the various SFS Schemes awaiting allotment of flat. Construction of flats and their allotment is a continuous process and it is difficult to indicate any period of time within which the whole demand will be met.
